

Garden Chats 2008

It's Garden Chat time again! This year, because of our dinosaur exhibit, there will be two talk/walks about them. We are also fortunate to have Harvilee Harbarger, one of our founding fourteen, to give a chat on our Garden history. Please join us at noon each weekday in April for a brief but informative chat.

April 1	Tue	Mark Byers	Crapemyrtle
April 2	Wed	Shelly Goglick	Dinosaurs
April 3	Thu	Niki Sothers	Shade Containers
April 4	Fri	Steve Threlkeld	Wildflowers
